17 October 2023

TO WHOM IT MAY CONCERN

ISAAC SIKO ZAKARY ID NO. [redacted] REG NO: 19/05245

The above mentioned, while a Student at KCA University pursuing Bachelor of Science in Software Development undertook his Attachment at this College in the School of Information Technology for Defence systems (SITDS) between 05 June 2023 to 01 August 2023.

During the course of his attachment the student was able to learn practical in the following areas:

User support

Hardware configuration, Software configuration and other computer accessories

Networking

Wired connection, Wireless connection and Fibre connection

Server

Installing and configuring server Virtualization

Software development

Developed a system using HTML, Cascading Style Sheets (CSS) and JavaScript.

Generally, The Student was on schedule including project deliverance, put up extra hours to meet his career goals, a team player, respectful, punctual, flexible and ready to learn from other team members.

We recommend him for any position that matches his experience and qualification.

Yours faithfully,

J R KISILU
Colonel (Dr)
for Principal
